om bhaiṣajye bhaiṣajye mahābhaiṣajyasamudgate svāhā*

Aum! Salutation to the honored one, the teacher of divine medicine,
the bejeweled king of light, the one thus gone to destroy suffering, the enlightened one!

Speak as follows:

Aum! Divine medicine, divine medicine, the great medicine,
thus arisen, hail to you!

- *Aṣṭāṅga Hṛdaya, Sūtrasthāna 18:17*

Acknowledgements

First, I give thanks to my wonderful family including my wife and children, as well as my dear friends, all to whom I am indebted for their patience, inspiration and support.

Second, I thank the many teachers and colleagues that have assisted me with their knowledge, support, encouragement and wisdom, including Vd. T. Sukumaran, Vd. V. Vasudevan, Vd. H. Pallathery, Alan Tillotson, Vd. M. Bajracharya, Jaisri Lambert, Chanchal Cabrera, and Vd. S. Kumar.

Third, I give my deepest veneration to the physicians and scholars of Āyurveda that have illuminated the world with their wisdom, as well as the holy seers who thought to benefit all sentient beings when they revealed these sacred teachings.

Last, I give thanks to Mother Earth and the healing medicines that arise from Her body, and Great Spirit that infuses them with divine essence.
